

Welcome to the Food52 Seasonal Wreath Subscription

To _____

From _____

Soon, a natural handmade wreath will arrive on your doorstep (from Creekside Farms in California), ready to hang in a special spot where you'll admire it for months to come. But wait, there's more! Three more wreaths, one for each season, will follow in its footsteps. We've already set up your address so all you have to do is wait for them to arrive. Enjoy ringing in the seasons!
