To _____

From _____

Ready your skillet— you've been given the gift of olive oil! An olive tree in Puglia, Italy was adopted in your name and its extra-virgin, single-harvest olive oil is on its way to you. Sourced by Especially Puglia, an Italian company that promotes the time-honored tradition of olive oil-making and the groves behind it, your olive oil comes from one of the four small family-run organic farms they work directly with.

Your olive oil gift will include: a 3-liter can of olive oil; a funnel and ceramic cruet made by Puglian artisans; and an adoption certificate for a tree from their orchard.

Your bread will never be happier.
